

Transport Emergency Cards in accordance with SANS 10232-4

Online system.

Register yourself on www.trec.co.za
Login and buy TREC cards through standard online ordering process.
Once your payment is received, the cards are released.
Install the TREC Printer and print the cards yourself.
Price is R6-00 per card.
Red-lined stationary is available from Trec @ R1-00 per sheet.

Online system.

Register yourself on www.trec.co.za
Buy TREC Credits in advance at a price negotiated (depending on volumes).
TREC Credits are loaded on your login details.
You print the cards as and when you need them.

Online system.

This product is based on an annual license fee (The price depends on the number of different users).
The licence will give access to one user on the TREC website.
The same printing process as in Trec Credits is followed.

Offline system.

ERP system with a database of UN Numbers and a Transport Emergency Card Module.
The system is both multi company and multi user.
Price on request.
